

## Mardi Gras Security Info

- The city has set up the emergency email address ([hotelsecurity@nola.gov](mailto:hotelsecurity@nola.gov)) that should be used for major incidents but not 911 calls. If contacting this email address, please include your contact information. This site does not capture the sender of the email.
- Residents and visitors are encouraged to text MARDIGRAS to 888777 to receive info directly from the City of New Orleans regarding parade updates, severe weather, transportation, and public safety. Please share the attached social media graphics.
- 2020 adjusted parade routes and locations of first aid stations, lost child stations, public restrooms, and permitted food vendors are displayed at [www.routewise.nola.gov](http://www.routewise.nola.gov)
- There will be one crossway manned during parades at the Poydras/St. Charles intersection
- Additional information on new regulations and how to get to parades, what to bring, and how to stay safe is available at [www.Nola.gov/mardigras](http://www.Nola.gov/mardigras) .
- Starting Friday February 21<sup>st</sup>, exterior closures will be enforced from 5am to 5pm on streets like Rampart, Decatur and Chartres. Interior closures will be enforced from 5pm to 5am on Dauphine, and Royal.
